

The Preterm Infant: NICU experience and beyond with Cherry Bond

This one day Educational Training is specifically designed for CIMI's who want to know more about neonatal/intensive/special care babies

**Trinity Centre, Sutton Coldfield
September 11th 2010
£75.00 including soup**

**Full payment required to confirm your place
course organiser is Childways**

MORNING SESSION

This is a **brief overview** of the preterm baby's experience on a neonatal unit and the philosophy at the heart of Cherry's 'Positive Touch Programme'

- *Family Centred Developmental Care (NIDCAP), Brazelton Assessment (NBAS) & The Humane Neonatal Care Initiative.*
- *Definition of the preterm and near-term infant*
- *Neonatal Skin, use of oil, and the importance of touch & parent-infant attunement in the NICU*
- *Behavioural states, Cues of Approach and Avoidance, Self Regulation & Habituation*
- *The 5-step 'Dialogue' - the basis for all touch in the NICU.*
- *A brief pictorial review of how positive touch is introduced in the NICU*

AFTERNOON SESSION

will focus on the preterm or sick infant in your community classes

- *What the infant is experiencing - including fussy behaviours, special situations and conditions*
- *Parents experiences*
- *Correcting the age*
- *Positioning*
- *Trusting our IAIM philosophy*
- *Will a 5 week massage course fulfil the needs of both the preterm baby and their parent?*

COURSE LEADER: Cherry Bond - RSCN, SRN, CIMI
